Backlink building

Basics

Building backlinks is the foundation of SEO.

According to the [May 2024 internal Google API leak](#), no-follow backlinks still may pass SEO juice and are worth building.

Backlink building strategies

Outreach

Guest blog posting

Listing on directories

Placing a link on relevant websites

For startups, [cal.com](#)

Placing a link on non-relevant websites

[flickr.com](#), [imdb](#)

Technical SEO

pSEO (Programmatic SEO)

Examples: Zapier, NomadList
